north side of Marcus St. from Francis Ave. to Hayford St.

Yeas—6; Nays—0.

Carried.

A review of the Intersection Accident Report showed a noticeable decrease of accidents in the City of Lansing.

Mr. Guilford inquired about the ordinance on bicycle riding on city sidewalks and the danger of cyclists riding in the street with traffic. There has been an increase in bicycle riding within the last five years. Secretary Hayes explained the regulations permitting riding of bicycles on sidewalks in residential areas but not in the central business district.

Mrs. Guilford asked what was being done about the hazardous conditions on S. Cedar St. in the vicinity of the K-Mart discount store. Mr. Pohl stated that a TOPICS project is being prepared to provide for a center left turn lane from the existing center lane south of Jolly to south of Miller Road.

It was noted that there has been a considerable increase of accidents at the intersection of Holmes Road and Pleasant Grove Road which are mainly due to misjudgment on the part of vehicle operators.

Mr. Brasseur asked about the ramp revenue. Mr. Dallmann stated there was an

increase in revenue over last year for both the South Grand and South Capitol Ramps.

Mrs. Guilford asked how the pavement marking project was progressing. Mr. Pohl stated that the company was due in Monday, July 12th, but had not arrived and that we would wait until next Monday, July 19th, before taking further action.

Mr. Wrobel asked if there had been problems of traffic movement during the recent power blackout. Capt. Jackson stated there had not been too many as men were called in to direct traffic at major intersections.

Mr. Pohl explained some of the functions of the computerization of the traffic signal systems which will be installed in Lansing under the TOPICS program.

It was noted that some of signing on I-496 causes confusion as to where to exit for certain destinations.

There being no further business—it was moved by Mr. Vlahakis that the meeting be adjourned.

The meeting adjourned at 8:45 P.M.

Respectfully submitted,

Proceedings, December 14, 1971

Members Present: Howard Lutz, Diane Battley, Keith Norris and Keith Miller—4.

Excused: Douglas Jones—1.

Inspectors Present: Dale Hoover and Ray Dwyer—2.

Meeting called to order at 7:00 p.m. by Chairman Norris.

Minutes of the last meeting were read and approved as read.

Thomas Latunski, 1213 Cooper Ave., Lansing, Michigan, applied for a Home-Owner's permit to install a 100 amp service at his home, the above address. A drawing and utility spot was presented, and questions answered.

Motion was made by Mr. Battley and seconded by Mr. Miller, that the permit be granted.

Passed.

Examinations were corrected from the previous examination night. A passing grade was received by Thomas Glennon for an Electrical Master Journeyman's license.

New examinations were discussed at length.

Mr. Norris called a Special Board meeting for January 11, 1972, at 7:00 p.m. in regards to writing new examinations.

Meeting adjourned at 9:30 p.m.

Respectfully submitted,

RAY J. DWYER,
Secretary.
